

## Miss Martin's 4K weekly

February 8th

### Weekly

This week we talked about the letter "R,r". In math we started talking about measuring with non-standard units. We learned about how animals and bugs use different materials to build their homes. We continued to learn about construction in literacy. In sensory table we had blocks and shaving cream to build houses with. We were very excited to celebrate our 100<sup>th</sup> Day of School!! We build castles and buildings with 100 cups and shared our bags of 100 things. We also went on a scavenger hunt to find 100 hearts!!
