

Miss Martin's 4K weekly

September 29th

Weekly

This week we went on a leaf hunt and painted the leaves. We began our letter of the week with the letter "L". The kids enjoyed sharing their letter "L" items. We had a wonderful time at our Ice Cream Social! As a class, we talked about the change of seasons from summer to fall, and hopefully what changes we will see outside soon. We learned about 3D shapes and focused on what shapes are on the sides.

Reminders

A look at next week...

We will continue our letter of the week with the letter "F,f". Assessments will begin and continue throughout the month of October. In math, we will be working on rote counting and comparing sets. We will also be focusing on the Alphabet. We will continue to talk about fall. In the month of October we will also start our star student of the week. I will be sending out a letter explaining when it will be your child's turn and what to do when your child is the star student.
